Prices £per week

Roches is available from the beginning of June until the end of September. We do not operate a high/low season tariff.

Our prices are based on the number of guests, including children but excluding babies (i.e. the number of beds being used).

4	1300	1250
5	1400	1350
6	1500	1450
7	1600	1550
8	1700	1650
9	1800	1750
10	1900	1850

Two more beds are available, suitable for children. One of the bedrooms can be used as a dormitory by up to four children. No charge for babies. A cot is available free of charge.

How to book

A firm booking is only made when we have received a completed booking form together with the appropriate deposit. However, if you make a telephone reservation we will hold it for one week while you send in your booking form and deposit of £100 for each week reserved.

Booking conditions

Prices quoted will be held throughout the season. Payment in full should reach us no later than 6 weeks before the start of the holiday. We regret we have to charge a fee for late cancellations; 60% of the total if the cancellation is made within 4 weeks of the start of the holiday, 90% within 2 weeks, and 100% if the cancellation is made on the departure date or later.

Indemnity & insurance

As France and the United Kingdom are both members of the EU, UK citizens are entitled to medical treatment if they are unfortunate enough to become ill when on holiday, and the standard of French health care is excellent so they should take European Health Insurance Card for each traveller before they leave the UK. The cards are available on-line from this Internet address:
www.dh.gov.uk/PolicyAndGuidance/HealthAdviceForTravellers/fs/en

However we advise all our guests to take out holiday insurance to cover health, accidents and loss of your car.

We also strongly urge you to insure your holiday against cancellation. If for any reason you have to cancel we will try to book your reserved dates and reimburse you, but in the case of late cancellations this may prove to be impossible. Please note our booking conditions.

Breakages

Our experience over the years has shown that most of our guests take good care of our property, and that some interesting replacements have been made to broken or lost items, notably mugs and plates. However, we now no longer ask you to replace these items. We merely ask that you report them so that we can make up the numbers from stock. These and, of course, more major problems should be reported to our representative, Harry, as soon as possible.

Before you go.

On receiving confirmation of your booking we will send you a receipt for your deposit, plus some hints and tips to make your holiday even more enjoyable (for instance, there are no street lights in rural France, so take a torch!). Every seasoned traveller has his or her favourite route through France, but if you really want help, we can tell you how to get there from the Channel Ports. And so on...
